

FEBRUARY

AD CLOSE: 12/11/17

Bonus Distribution

- 30th International Pipeline Pigging & Integrity Management Conference
- Underground Construction Technology Conference
- Cooling Technology Institute Annual Conference
- IADC Health, Safety, Environment & Training Conference & Exhibition
- United States LNG Summit

Editorial Focus

- North American Energy Report
- Asset Integrity Solutions
- Upstream Safety
- Industrial Facility Maintenance
- Demolition & Site Preparation
- Pipeline Inspection & Repair
- LNG Market Update
- Wastewater Treatment Solutions
- Equipment Rental & Cost Control

MARCH

AD CLOSE: 1/22/18

Bonus Distribution

- AFPM Annual Meeting
- 20th Annual ELECTRIC POWER Conference & Exhibition
- Plant Maintenance, Inspection and Engineering Society's Expo & Conference
- 33rd World Petrochemicals Conference
- IHS Energy CERAweek 2018
- NISTM International Aboveground Storage Tank Conference & Trade Show

Editorial Focus

- Global Petrochemical Outlook
- New Safety Product Feature
- Corrosion Protection
- Craft Labor Tracking
- Ethylene Process Site Expansions
- Wireless Technology & Plant Operations
- Mechanical Integrity
- Turnaround Performance Improvement
- Construction Equipment & Lifting Technology
- Shale Gas Report

APRIL

AD CLOSE: 2/19/18

Bonus Distribution

- SynGas
- 4C Health/Safety/Environmental Conference 2018
- National Safety Council Southern Safety Conference & Expo
- WorkBoat Maintenance & Repair Conference and Expo
- NACE CORROSION 2018
- Offshore Technology Conference 2018
- 2018 AIChE Spring Meeting and 14th Global Congress on Process Safety
- OSHA Region VI VPPPA Annual Safety & Health Conference

Editorial Focus

- Midstream Industry Update
- Plant Design & Engineering
- Aboveground Tank Construction & Repair
- Power Plant Outages
- Rotating Equipment Repair
- Scope Management
- Inspection Equipment & Services
- Environmental Compliance
- SynGas Report

MAY

AD CLOSE: 3/19/18

Bonus Distribution

- AFPM Reliability & Maintenance Conference and Exhibition
- AFPM National Occupational & Process Safety Conference and Expo 2018
- TCEQ's Environmental Trade Fair & Conference
- RefComm Galveston 2018
- Downstream Engineering & Construction Conference & Expo

Editorial Focus

- Refinery/Chemical Plant Turnarounds
- Process Safety Management
- Liquid Storage & Transportation
- Leak Detection & Repair
- Heavy Haul & Logistics Solutions
- Environmental Quality Standards & Monitoring
- Offshore Production Technology
- Pulp & Paper Industry Report
- Safety Programs

JUNE/JULY

AD CLOSE: 4/16/18

Bonus Distribution

- 38th ILTA International Operating Conference & Trade Show
- Energy Drone Coalition Summit
- 31st Annual Environmental, Health & Safety Seminar
- American Society of Safety Engineers Safety 2018
- Texas A&M Annual Industrial School Vendor Show
- Scaffold & Access Industry Association Convention & Expo

Editorial Focus

- Tank & Terminal Expansions
- Shutdowns & Turnarounds Leadership
- Methanol Project Tracker
- Engineering, Procurement & Construction
- Rotating Equipment Reliability
- Advanced Inspection Technologies
- Natural Gas Processing
- Industrial Fire Response Training
- Refinery Expansion News
- Scaffold Safety
- Downstream Construction & Engineering

AUGUST

AD CLOSE: 6/18/18

Bonus Distribution

- VPPPA National Symposium
- SMRP Maintenance & Reliability Symposium

Editorial Focus

- National Petrochemical Expansion Report
- Turnaround Performance Assessment
- Project Controls Advancements
- OSHA Compliance
- Industrial Construction Workforce Development
- Natural Gas Power Generation Update
- Maintenance & Reliability Enhancement
- Safety Equipment Highlight

SEPTEMBER

AD CLOSE: 7/23/18

Bonus Distribution

- 47th Turbomachinery Symposium & 33rd Pump Symposia
- 2018 WEFTEC-Water Environmental Federation Technical Exhibition
- NISTM National Aboveground Storage Tank Conference & Trade Show
- Economic Alliance Houston Port Region Gulf Coast Industry Forum
- ECC Conference
- Louisiana Governor's Safety & Health Conference

Editorial Focus

- Ammonia Market Update
- Capital Construction Project Report
- Turbomachinery Reliability
- Operational Turnaround Readiness
- New Safety Products
- Industrial Cleaning Technology
- Wastewater Management
- Storage Tank Vapor Control
- Industrial Internet of Things

OCTOBER

AD CLOSE: 8/20/18

Bonus Distribution

- SMRP Annual Conference
- National Safety Council Congress & Expo
- API Tanks, Valves and Piping Conference & Expo

Editorial Focus

- Refinery Product Exports
- Tanks, Valves & Process Pipe Solutions
- Corrosion Prevention
- Refinery Modernization
- Contractor Safety
- Plant Reliability
- Process Safety Management
- Inspection & Non-Destructive Testing Applications

NOVEMBER

AD CLOSE: 9/24/18

Bonus Distribution

- International WorkBoat Show & Conference
- WJTA-IMCA Conference
- CLEAN GULF

Editorial Focus

- Ethylene Update
- Chemical Industry Automation
- Oil & Gas Drilling & Production Outlook
- Refining Equipment Standards
- Fire Safety Improvements
- Crane Operator Training & Safety
- Hands-Free Cleaning Technology
- Spill Mitigation & Risk Assessment
- Petrochemical & Marine Industry Report

DECEMBER 2018 JANUARY 2019

AD CLOSE: 10/22/18

Bonus Distribution

- POWER-GEN International

Editorial Focus

- Power Generation Industry Update
- Unmanned Aerial Vehicle Applications
- Refinery Asset Reliability
- Shutdown & Turnaround Personnel Solutions
- Industrial Coatings Solutions
