

## Networking Functions

One of the great benefits of being a BIC Alliance member is the ability to participate in BIC Alliance's various networking opportunities over the course of the year. These events draw more than 600 people from owner/operators to potential subcontractors and service companies. BIC's crawfish boil is held in the spring in La Porte, Texas. Our newest event is the fish fry held in the fall. As a BIC Alliance member, you can send personnel to the events.

“ ION Science Inc. is always excited to sponsor a BIC event. The leads and discussions are super helpful, and are more productive than many trade shows where we exhibit. BIC is a big part of our oil & gas marketing.

”  
**Terry Deeds**  
Director, General Manager  
ION Science Inc.

## Plant Leadership Panel

BIC Alliance partners with industry associations in the Gulf Coast region to host industrial procurement networking breakfasts. Purchasing and procurement professionals from owner/operators as well as EPC contractors participate as panelists. BIC moderates the panel. Previous panelists include representatives from Shintech, ExxonMobil, Flint Hills Resources, Air Products, LyondellBasell, Enterprise Products, Jacobs, Dow and Shell.

## Event Sponsorships

Get the most out of BIC events by being a sponsor. Event sponsorships offer high visibility and access to the entire attendee list, along with contact information after the event. During the events, sponsors can interact with attendees and promote products and services.
